B. K. NARAYANA RAO, Esq., B.A., M.B.C.M., M.R.C.S. (Eng.), D.P.H., D.O. (Oxon.),
Senior Surgeon with the Government of H.H. the Maharaja of Mysore.

To 4160
The Secretary to the Government of
His Highness the Maharaja of Mysore,
Development Department, Bangalore.

Sir,

I have the honour to state that Government in their order No.G.4928-30/Med.325-38-10 dated 30th November 1939 have sanctioned two posts of Assistant Surgeons III Class for the Victoria and Krishnarajendra Hospitals. A post of a Lady Assistant Surgeon has been sanctioned for the Vani Vilas Hospital, Bangalore in Government Order No.G.4907-8/Med.268-38-2 dated 29th November 1939. Against the former posts, two Medical Probationers have to be appointed and for the latter a Lady Medical Graduate. After scrutiny of the credentials of the waiting candidates, I submit the following recommendations:

1. Owing to the expansion of anti-tuberculosis measures, we are in need of medical men trained in this speciality. Mr.B.S. Ramanna is a B.Sc., and M.B.B.S., of the Mysore University. He took his medical degree so long ago as 1932. He was employed under the Red Cross Society at Mysore on tuberculosis work and has had fair experience. On a scholarship granted by the Carlo Forlanini Institute, Rome and with some help from the Red Cross Society and partly also by spending his own money, he went to Italy and worked in the various tuberculosis clinics and has recently returned He is drawing a pay of Rs. 110/- in the Red Cross Society. Both Sir Charles Todhunter and the Chairman, Red Cross Society, Mysore State Branch are keen that his services should be utilised for tuberculosis work in the state on a suitable salary. The Lady Willingdon Tuberculosis Dispensary for which a II Class Assistant Surgeon has been sanctioned is in need of such a hand. I recommend

I recommend that Mr. B.S. Ramanna may be recruited to the Department as a III Class Assis tant Surgeon on a pay of Rs. 80-10-120/- with a personal absorbable allowance of Rs. 30/-. Mr. B.S.Ramanna is a brahmin and a born Mysorean.

2. For the second vacancy, I recommend Mr. Abdus Sammad Sheriff as a suitable candidate. Representation of the Mahomedan Community amongst the graduates is poor and this particular candidate is an alert, intelligent, robust individual who belongs to a respectable family and his academic career is quite good.

2. For the post of Lady Assistant Surgeon Probationer, there ar two candidates on the waiting list.

(a) Mrs. Vasantha S.Krishnaswamy, a born Mysorean, daughter of late pandit Mr. A.Mahadeva Sastry who was curator of the Oriental Library. She has passed the M.B.B.S. of Madras and has put in about 7 months House Surgency in the General Hospital at Madras. She is an alert, intelligent young lady who has been very well spoken of by the Professors and Surgeons with whom she has worked. Her application has been submitted to Government with my letter No.G.C.96 dated 23rd August 1939.

(b) Miss Charlotte who is also a born Mysorean and who took the M.B.B.S. degree of the Mysore University in June 1939 is now working as a House Surgeon since 1st October 1939. Her record is also very satisfactory.

Both are good, but the former lady has put in a little more work as a House Surgeon. The previous four vacancies in the Women's Cadre were given to (1) Miss Sumathi Mahadevan-Mudaliar, (2) Miss Rajamma-Banajiga, (3) Miss Pankajam Maduram-Christian and (4) Miss Lalitha Lingaiah-Lingayet. All these belong to backward communities So, I recommend that Mrs. Vasantha S. Krishnaswamy may be appointed to the present vacancy and Miss Charlotte's case favourably considered at the next chance.

I request the favour of early orders as hands are urgently needed

I have the honour tobe,
Sir,
Your most obedient servant,

Subject.— Proposal to appoint Miss Charlotte, M.B.B.S., as a Probationary Lady Assistant Surgeon, in the Medical Department.

With His Highness' gracious approval, an additional post of a Lady Assistant Surgeon has been sanctioned for the Vani Vilas Hospital, Bangalore. The Senior Surgeon, in his letter - dated 5th December 1939, suggests the filling up of this post and recommends Mrs. Vasantha S. Krishnaswamy for the place.

There are two candidates on the waiting list and they are Mrs.Vasanta S. Krishnaswamy, M.B.B.S., (Madras) and Miss Charlotte, M.B.B.S., (Mysore). The latter is a born Mysorean has taken the M.B.B.S., degree of the Mysore University and has been working as a House Surgeon since 1st October 1939. It is proposed to appoint Miss Charlotte whose record has been stated by the Senior Surgeon to be very satisfactory, to the present post in preference to Mrs. Vasanta Krishnaswamy.

The above proposal which has been agreed to by the Dewan and the First Member of Council may be graciously - approved.

2. The Senior Surgeon, in his letter dated 5th December, 1939, recommends that Mr. B. S. Ramanna, B.Sc., M.B.B.S., who has been attending to Tuberculosis work in the Mysore Brach of the Red Cross Society on Rs 110/- per mensem and has recently returned from Rome with Anti-Tuberculosis training, may, in view of his experience in this work, be appointed as Assistant Surgeon, 3rd Class, on pay of Rs 80/- in the grade of Rs 80-10-120 with a personal absorbable allowance of Rs 30/- per mensem. Mr. Ramanna is a Brahmin. For the other vacancy, he recommends the appointment of Mr. Abdus Sammad Sheriff, M.B.B.S., as the representation of the Mahomedan community amongst graduates is poor. Both are Mysoreans.

SECOND MEMBER OF COUNCIL

No. 2965

Med. 42-39-

Sir,

I beg to submit that I have returned from Italy after completing my course of Tuberculosis study in the Carlo Forlanini Institute, Rome, as a Forlanini Scholar for the year 1938-39. The Institute has accommodation for 1400 patients and is the school for specialization of Tuberculosis study in the University of Rome.

During my stay of about 9 months, I have worked in the various clinical wards and attended the out-patients' department and the operation theatre. The course consisted of a series of lectures on all the aspects of Tuberculosis and anti-tuberculosis scheme as conducted in Italy. I have assisted in the usual routine of work in the wards and conducted operations of cavity drainage, which is now being performed only at the Forlanini Institute under the direction of Professor Monaldi.

I have attended the anti-tuberculosis clinic at Rome and studied the method of follow-up of cases of Tuberculosis in Italy. As a part of the course of study, I have visited the Sanatoria and hospitals at Milan, Genova, Naples, Ansio, Sondrio and Sondolu on the Alps and the Preventoria in Rome and at Sondolu.

In Rome, I have studied the working of the Tuberculosis colony called the Porta Furba hospital where 600 patients are undergoing treatment with an attached outpatient clinic for ex-patients, and a Tuberculosis hospital at Ansio for the military.

I have had the opportunity of interviewing Dr. Walters, Secretary for Anti-tuberculosis measures in Berlin and gained from him information concerning the scheme of work conducted in Germany.

On my way back, I got an opportunity of visiting the Tuberculosis clinic at Rangoon, and have thereby gained first hand information about the scheme as it now exists in Burma.

As you are aware, I was working as the doctor in charge of the Anti-tuberculosis measures in Mysore City for about 5½ years prior to my going abroad. I may be permitted to point out that the Government of Mysore were pleased to sanction me a free grant of Rs.750/- to supplement my Italian Scholarship with the understanding that I would serve the State in the control of Tuberculosis after my return.

I request that you will be pleased to recommend to the Tuberculosis Association and the Government of Mysore that my services may be utilised for control of Tuberculosis in the State in any capacity that the Association may think fit.

I beg to remain,
Sir,
Your most obedient servant,

Mr.B.S.Ramanna is a B.Sc.,and M.B.B.S. of the Mysore University and has had a fair amount of practical experience in Tuberculosis work in Mysore. With his additional training in Italy recently, he would be a valuable officer for Tuberculosis work either in Mysore or in any one of the other centres where Tub. dispensaries are working or will be working in the near future. I would recommend his being taken into the cadre of the Medical Department and his services utilised for this work.

5) He has been an employee of the Red Cross Society till now and probably the Mysore City Branch would still wish to have his services for Tuberculosis work. If so, the Society may be consulted and he may be lent from the Department for the purpose temporarily.

Camp Mandya, 22nd Nov. 1939.

Dear Mr. Krishna Rao,

I received a letter from you a few days ago in which you enquired whether the Mysore Branch of the Red Cross Society would like to keep on Dr. Ramanna (who has returned to India after obtaining special anti-tuberculosis training in Rome) I referred the matter to the Mysore Branch, but have had no reply yet. But I met Sir Charles Todhunter, President of the Mysore Branch Society, and he told me that Dr. Ramanna was getting a salary of Rs.110/- at Mysore, and that there was no need for continuing his services in Mysore. In my opinion, and in the opinion of the Committee for the management of the Lady Willingdon Tuberculosis Dispensary & Clinic, Bangalore, the best use that can be made of Dr. Ramanna's services is by putting him in charge of the Lady Willingdon Dispensary. Sir Charles Todhunter was also of the same opinion. The Assistant Surgeon now posted to the charge of the Lady Willingdon Dispensary has had no training in anti-tuberculosis work. I would strongly urge that Dr. Ramanna be taken to Government service on a suitable salary and appointed to be in charge of the Lady Willingdon Dispensary at as early a date as possible.

Yours sincerely,

Dated 11-39

Sir,

With reference to Government Order No. G. 6919-21/Med. 11-39-15 dated the 3rd February 1940, which was received by me to-day, I have the honour to bring to the kind notice of Government a slight mistake that has occured.

In my letter No.G.C. 255 dated the 5th December 1939, recommending these candidates, I mentioned in the first para that two medical probationers have to be appointed against the two vacancies of Third Class Assistant Surgeons. In view of the present pay of Mr. Ramanna in the Indian Red Cross Society his long experience and also his special studies in Europe, I recommended him for one of the vacancies to be appointed as a third class Assistant Surgeon with an absorbable allowance. In the case of Mr. Sheriff, who is a very recent graduate, I recommended that he be taken as a medical probationer against the vacancy that would be caused by promoting a senior medical probationer to the third grade assistant surgeoncy. In another para in which this recommendation was made, the statement was not perhaps as clear as it should have been.

In the order issued Mr. Ramanna has been appointed as recommended; but Mr. Sheriff has been appointed as third grade Assistant Surgeon on Rs. 80-10-120 instead of being appointed merely as a medical probationer on Rs. 80/-.

I request that orders of Government may kindly be obtained revising this order and appointing Mr. Sheriff as a medical probationer on usual pay of Rs. 80, a senior medical probationer being appointed as third class Assistant Surgeon (by promotion).

I have the honour to be,
Sir,
Your most obedient servant,

B Narayana Rao

Senior Surgeon.
